Subject: Legal Notice Regarding Employer-Employee Dispute – Immediate Action Required

Under the instructions and authority from my client Isha Tripathi, residing at sdc, Mobile: +91

9876543210, I hereby address you as follows: 1. My client, Isha Tripathi, is a dedicated and diligent professional who has been employed with your esteemed organization, XYZ Enterprises Pvt. Ltd., for the past five years. She has consistently demonstrated her commitment to her role and has contributed significantly to the growth and success of your company. Her dedication and hard work have been acknowledged and appreciated by her peers and superiors alike. 2.

However, it has come to our attention that there have been certain irregularities and discrepancies in the payment of her salary and benefits. Despite fulfilling her duties and responsibilities as per the terms and conditions of her employment contract, she has not been compensated adequately and in a timely manner. 3. The issue first arose in January 2025 when my client noticed a significant reduction in her salary without any prior notice or explanation. Subsequent months saw further arbitrary deductions, causing financial distress and mental

anguish to my client. Despite numerous attempts to address the issue with the management, the situation remains unresolved. 4. As per the terms of her employment contract, my client is entitled to a fixed monthly salary, along with other benefits. The company has a legal and moral obligation to honor this agreement and ensure that employees are compensated fairly and on time. 5. Despite these clear obligations, XYZ Enterprises Pvt. Ltd. has failed to comply with the terms of the contract. This failure constitutes a breach of contract and has caused significant financial loss and mental distress to my client. 6. My client has made several attempts to resolve this issue amicably. She has approached the management multiple times, seeking clarification and resolution. However, her concerns have been dismissed without any satisfactory resolution. 7. The conduct of XYZ Enterprises Pvt. Ltd. appears to be dishonest and malafide. The arbitrary deductions and the subsequent dismissal of my client's concerns indicate a clear disregard for the rights and welfare of employees. 8. As a result of this conduct, my client has suffered significant financial loss and mental harassment. The stress and anxiety caused by this situation have also affected her health and well-being. 9. The actions of XYZ Enterprises Pvt. Ltd. are in clear violation of the Indian Contract Act, 1872, specifically Section 73, which provides for compensation for loss or damage caused by breach of contract. Furthermore, these actions also contravene the provisions of the Payment of Wages Act 1936 and the Industrial Disputes Act

compliance with the provisions of the Payment of Wages Act, 1947, and the Industrial Disputes Act, 1947. 10. In light of the above, my client demands an immediate resolution of this issue. She expects the company to honor its contractual obligations and ensure that all due payments are made promptly. 11. If the issue remains unresolved, my client will have no option but to initiate legal proceedings against XYZ Enterprises Pvt. Ltd. This may include filing a complaint with the appropriate labor court or tribunal. 12. Please note that XYZ Enterprises Pvt. Ltd. will be held responsible for all costs and consequences arising from this dispute. This includes legal fees, court costs, and any other expenses incurred in the pursuit of this matter. 13. This legal notice is issued to you without prejudice to all other legal rights and remedies available to my client under the law. Kindly treat this as a final and urgent notice.
