Under the instructions and authority from my client Aarav Mehta, residing at D/1103, Rustomjee L1 Avenue, Global City, Virar West., Mobile: +918767919866, I hereby address you as follows:

That my client and you entered into a transaction/understanding, as described: The transaction referred to herein was a contractual agreement (hereinafter referred to as "the Agreement") entered into by and between you and my client. The Agreement, identified by the code "gvsvvf", pertained to the provision of certain goods and services, the specifics of which were clearly outlined in the Agreement.

That my client fulfilled all obligations as agreed under the understanding/transaction. My client, in good faith and in accordance with the terms and conditions of the Agreement, has performed all the obligations, duties, and responsibilities incumbent upon them.

That you were obligated to act as per the understanding but failed to do so. Despite the clear terms of the Agreement, you have failed to perform your obligations and duties as per the agreed terms, thereby causing a breach of the Agreement.

That despite repeated follow-ups, no satisfactory resolution was offered. My client has made numerous attempts to communicate with you regarding this breach, seeking a satisfactory resolution, but to no avail.

That such failure indicates breach of trust. Your failure to perform your obligations under the Agreement and your subsequent non-responsiveness to my client's attempts at resolution constitutes a breach of trust and good faith.

That my client has suffered losses and inconvenience, as described: Due to your breach of the Agreement, my client has suffered significant losses and inconvenience. The losses, identified by the code "fvdsdsvdfv", include financial losses due to non-delivery of the agreed goods and services, and additional costs incurred in seeking alternative providers. The inconvenience suffered includes disruption of business operations and loss of valuable time and resources.

That your conduct constitutes a legal wrong under applicable Indian laws, including but not limited to the Indian Contract Act, 1872. Your actions, or rather inactions, constitute a breach of contract under Section 37 and Section 39 of the Indian Contract Act, 1872.

That my client hereby demands that the dispute be resolved immediately by the immediate performance of your obligations under the Agreement, including the delivery of the agreed goods and services, and payment of damages amounting to the financial losses suffered by my client due to your breach.

That if you fail to act within 7 days from the receipt of this notice, legal proceedings (civil and/or criminal) will be initiated at your risk. The proceedings will be initiated under the relevant provisions of the Indian Contract Act, 1872, and other applicable laws.

That you shall be liable for all litigation costs, damages, and consequences arising from your failure to comply. This includes, but is not limited to, the costs of the legal proceedings, the damages claimed by my client, and any other consequences that may arise due to your non-compliance.

That this legal notice serves as a final opportunity for resolution. Failure to comply with the demands made herein will leave my client with no option but to seek legal redress.

This legal notice is issued to you without prejudice to all other legal rights and remedies available to my client under the law.

Kindly treat this as a final and urgent notice.
